JRD FASHION

COMPANY PROFILE

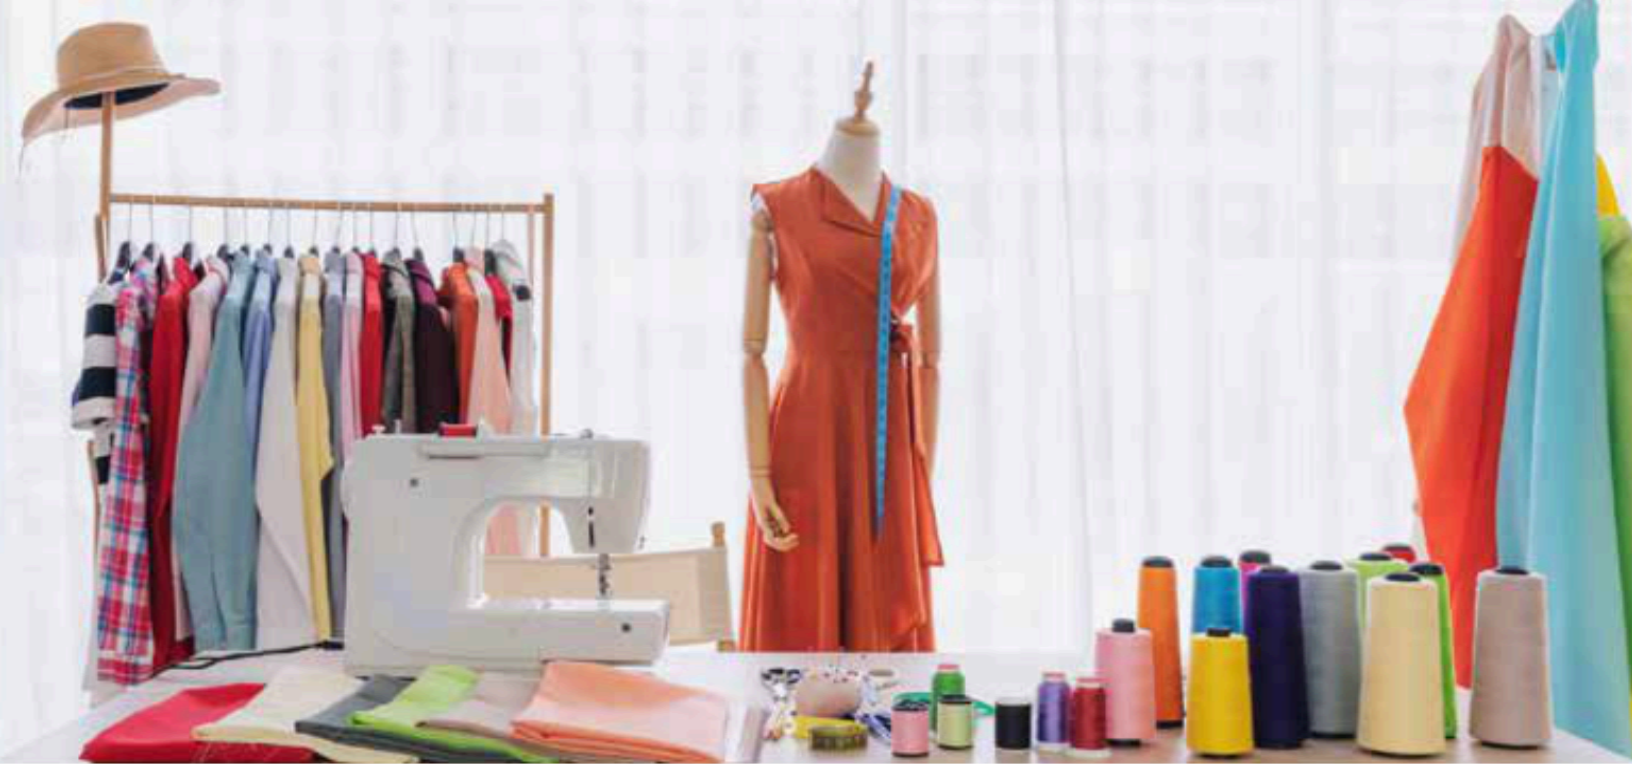

JRD FASHION

WELCOME TO OUR COMPANY

JRD FASHION is a professional apparel buying house and manufacturing sourcing company based in Chattogram, Bangladesh. We specialize in garment sourcing, product development, garment sampling, competitive costing, quality assurance, shipment inspection, and logistics coordination for international fashion brands, retailers, importers, and wholesalers.

Working closely with approximately 18–20 compliant associate factories, we support the manufacturing and supply of a wide range of knit, woven, and denim garments according to our buyers' designs and requirements.

We assist international fashion brands in sourcing their designs through suitable manufacturing partners, vendors, and suppliers. Based on the buyer's Tech Pack and BOM (Bill of Materials), we provide achievable garment costing and coordinate the production process with a focus on quality, competitive pricing, and timely delivery.

Our Mission

Our mission is to provide high-quality, affordable, and responsibly sourced apparel through reliable manufacturing partnerships, professional service, and efficient delivery.

Our Vision

Our vision is to become a trusted global apparel sourcing partner, recognized for product quality, competitive pricing, on-time delivery, and long-term relationships with buyers worldwide.

Why Choose JRD FASHION?

Choose JRD FASHION as your sourcing partner for:

- Professional apparel sourcing support
- Knit, woven, and denim sourcing capabilities
- Access to approximately 18–20 associate factories
- Product and sample development
- Tech Pack and BOM-based costing
- Competitive sourcing solutions
- Factory selection and production coordination
- Quality assurance and inspection
- Regular production follow-up
- Logistics and shipment coordination
- Responsive buyer communication
- Long-term sourcing partnership

What buyers can expect

- **Responsive communication —** clear updates, practical answers and dependable follow-through across each stage.
- **Practical sourcing advice —** grounded guidance on product category, materials, capability, timing and route to production.
- **Transparent development —** aligned expectations from initial brief through samples, revisions and approvals.
- **Controlled quality checkpoints —** planned review points that help identify issues early and protect the approved direction.
- **Shipment coordination —** connected follow-up on readiness, documentation flow and the handover toward shipment.

Our approach is deliberately hands-on and commercially focused: build clarity early, coordinate consistently and keep the buyer’s priorities visible throughout the production journey.

Product development

- Interpret brand designs and refine technical details.
- Advise on materials, construction and fit.
- Keep buyer and factory communication precise.
- Balance innovation, target cost and quality.
